Dear Mr. Lee:

Congratulations! You have been nominated by petition of the membership for election to the National Rifle Association Board of Directors. Your name will be placed on the ballot that will be included in the voting issue of the *American Rifleman*, *American Hunter*, *America's 1st Freedom* and *Shooting Illustrated* and sent to all members entitled to vote in the 2017 election of Directors.

The Bylaws require that the names of all nominees and a short biographical sketch of each be published in the Official Journal of the Association. This information will be published in the ballot issue.

Please be sure to include a sworn statement or affirmation that the information contained in your biographical sketch is true in every respect before submitting it. Please note that the Bylaws have been amended recently; the biographical sketch does not need to be notarized.

The guidelines for writing and submitting your biographical sketch are as follows:

Article VIII, Section 2(d), of the Bylaws (as amended May 23, 2016) states:

"Biographical sketches shall be limited to biographical facts and shall be submitted to the Secretary of the Association by each candidate and shall be sworn to or affirmed by the candidate as being truthful in every respect. Any willful material misrepresentation contained therein shall invalidate the candidacy provided that (1) such misrepresentation shall first be brought to the attention of the candidate by the Secretary, and (2) the candidate persists in the inclusion of such misrepresentation in the biography by submitting a further sworn statement or affirmation reaffirming the truthfulness thereof. The decision of the Secretary of the Association in matters concerning biographies shall be final."

The Bylaws further state in Article VIII, Section 3(e), that:

"On the official ballot for the election of Directors, no persons nominated by petition nor by the Nominating Committee shall be so designated."
